About BlockchainCon India

- BlockchainCon India is the premier conference in India that brings together Developers, Experts, Researchers, Government, Enthusiasts and Companies dealing in Blockchain Technologies.

- BlockchainCon India attracts a diverse community of Developers & enthusiasts from all over India and abroad.

Why You Should Sponsor

Our conference reveals to the world all innovative solutions and new technologies in the Blockchain industry. Thus, there are many reasons you should attend it:

- An avenue for your company to be better connected to the Indian Blockchain community as well as to nurture it.
- You get the possibility to inform the community about your new/upcoming release from the stage, take part in the panel discussion and share opinion on behalf of your company.

- You get massive branding and advertisement of your company by online and offline branding, articles and mentions in mass media featuring BlockchainCon 2017.

- Boost your company's public relation.

- Your sponsorship helps Blockchain India remain affordable and accessible to the widest possible audience.

- You get to spread the word about your products and the company to a very niche target audience the quality and quantity of which is unrivalled.

- Get tremendous brand awareness.

- To attract new clients and partners.

- Access to more than 300+ professionals and experts exchanging their opinion and sharing their experience.
